INTER-DEPARTMENT COMMUNICATION

FROM: Controller's Office

TO: J. Robert Arnold

June 24, 1968

SUBJECT: Appropriation Ordinance

Please prepare an appropriation ordinance which would transfer \$7,500 from the general fund and appropriate it to the following accounts in the budget of the City Plan Commission:

\$5,000 to Item No. 11-1-117 Services Personal

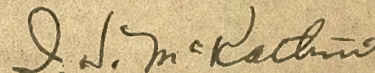

\$2,500 to Item No. 11-2-215 Transportation Allowance.

The reason for this transfer is that, with the numerous Federal grants-in-aid programs available to the city, and the work load and time required to study, make application for, and follow through to their consummation, a co-ordinator must be retained. It has been determined that present staff people in the various departments cannot efficiently prepare the necessary applications and perform the other duties necessary to carry out programs that may call for Federal funds and other assistance.

The title of the person hired to perform the above tasks would be "Urban Development Co-ordinator.

Also please prepare an amendment to the 1968 salary ordinance which would set the salary of the Urban Development Co-ordinator in the budget of the City Plan Commission at \$12,000 per year. The salary of the Urban Development Co-ordinator would become effective as of August 1, 1968, and would continue for the balance of the year at that rate. The above fund transfer must be advertised and submitted to the State Tax Board.

Yours very truly,

I. H. McKathnie
City Controller
